As a drummer from a tender age, I am a versatile player across kit, cajon and percussion.

As go-to cajon player for Canadian Hall of Fame inductee Steven Page (ex-Barenaked Ladies), I have toured across the world, including shows at legendary venues such as the Troubadour (Los Angeles, US), Union Chapel (London, UK) and the Danforth Music Hall (Toronto, CAN).

I can also regularly be seen on-stage with veteran British comedian Boothby Graffoe, part of acoustic duo Anonymous Sauce, and became the first percussionist to perform 'under the sea' as part of pianist YouTuber Joe Jenkins' viral stunt.
